We are also eliminating items which have not been used during the past two years, in each case retaining one "historical" copy. New accessions in the vault numbered 52 during this period, and the card file has grown accordingly. Since CO/OS' visit to [REDACTED] Station, we have received on a regular monthly basis sample copies of lesson plans developed there, and a separate file of this material is maintained for use, where pertinent, of instructors or other staff members. Since 1 December, in connection with routine daily business we have handled 1,253 pieces of correspondence, as well as 901 cables.
